## Canyon Will Be Sprayed DDT To Kill Insects

Mayor W. A. Warren stated Monday that the clean up campaign in Canyon had been very successful.

The Lions Club directed the campaign for the first week of the month, and the city force of trucks had continued the campaign during last week.

The streets and alleys have been greatly improved as the result of so much rubbish being hauled away to the dump ground.

"The city administration wishes to thank members of the Lions Club and citizens of Canyon who entered into the spirit of the campaign, and did so much toward improving the looks of the city," stated Mayor Warren.

The cleanup campaign will be followed by spraying in order to kill flies and insects. DDT spray will be used, which is effective in killing all kinds of pests, but does not harm vegetation or animal life.

Spraying machines were first introduced last year. Amarillo and Lubbock bought machines, and are hiring them out to smaller towns which cannot afford to buy such machines.

Plainview used the Lubbock machine twice last summer and citizens are highly pleased with the results.

Citizens of Canyon will be notified in advance to open the doors and windows of their homes so that the spray may pass through the buildings.

The spray is sudden death to all insects which may be found in alleys and around homes. Two sprayings during the summer, together with care on the part of all citizens in removing breeding places for flies and insects, will greatly improve sanitary conditions in Canyon, according to observers.

Public health officials throughout the nation have heartily approved the use of these spraying machines.

## Ex-Students of Canyon Schools Win Honors

Johnnie Harter, son of Mr. and Mrs. Pete Harter, Lafayette, California, formerly of Canyon and Mrs. Jean Kleinschmidt Didier, daughter of Mr. and Mrs. Wes Kleinschmidt have been elected to Phi Alpha Theta (Xi Chapter) National History Honorary Fraternity, University of Southern California, Los Angeles.

In recent tests these two ranked in the upper bracket of grades with Johnnie Harter making the highest grades that had been made in the several years this series of tests has been given.

Johnnie is a graduate of Canyon High School where he was a leader in all scholastic activities. He served in the United States Army and attended the University of California at Berkeley before entering the University of Southern California at Los Angeles.

Mrs. Didier graduated from West Texas High School and attended West Texas State before entering school in Los Angeles. While a student here she was outstanding in scholastic and social activities of the schools.

At present Johnnie is doing graduate work in the University and is filling an assistant professor's position. Mrs. Didier is secretary to the head of the history department of the University.

## Dr. and Mrs. J. A. Hill Honor Seniors and Faculty

Tuesday, May 18, President and Mrs. Hill honored the seniors, the faculty and friends with a reception in Cousins Hall.

The administration staff and wives stood in the receiving line with Dr. Pronabarger as introducer.

A musical program was given by faculty members as follows: Piano solo, Miss Matilda Gaume; piano solo, Dan Gillham; a group of songs, Dr. Wallace R. Clark; readings, William A. Moore; violin numbers, Mr. and Mrs. Herschel Coffee.

Miss Edna Graham presided over the refreshment table which was decorated with white and red peonies and roses and white candles. Misses Mae Simmons and Ada V. Clark, Mr. and Mrs. C. A. Murray and Mr. and Mrs. Stuart Condon assisted with serving punch and cocoanut macaroons.

Other members of the house party were Misses Helen White Moore, Pauline Brigham, Jean Moore, Novella Goodman and Mesdames Montfort, Stamper and Shaw.

Mr. and Mrs. Henry Bradford came home from Shattuck, Okla., Thursday where Mr. Bradford had undergone an operation. He is reported to be improving very nicely.

## Boy Scouts In Court of Honor Held Tuesday Nite

The Boy Scout Court of Honor was held Tuesday night, May 11, in Scout Hall. Members of the court were G. E. Clark, E. W. Glenn, Dr. C. W. Martin, Otto Samuelson, Gene Root, Rev. Hubert Thomson, district chairman, and Harry De Lashmut, district secretary.

Troop 66 had charge of opening and led the group in the pledge of allegiance, the Scout oath and the Scout Law.

Otto Samuelson presented second class awards to Tommy Myers of Troop 66, Bobby King of Troop 66, Max Downing of Troop 31 and Eugene Morris, assistant Scoutmaster of Troop 66.

G. E. Clark presented first class badge to Clyde A. Root of Troop 66. Gene Root presented merit badges in painting, swimming, and business to his son, Clyde A. Root of Troop 66.

## Tuition Problem Is Being Talked By the Trustees

The Canyon Independent School District Board of Trustees are this week mailing invitations to each of the members of the boards of education, in the Common School Districts in Randall County, to meet jointly this coming Monday night at the Canyon High School. The purpose of this school meeting is to study operating costs and tuition charges for the present year and for next year.

After a survey was made recently, it was discovered that the majority of the sending school districts will default in payment of the tuition, and that this condition will cause the Canyon District to come up short some \$10,000 this year. The only other alternative is to ask the parents of tuition students to pay this tuition, and they in turn feel that it is and should be the responsibility of their school district to provide for the proper education facilities.

The meeting is called for eight o'clock Monday night, May 24th at the Auditorium of the Canyon High School.

## Morrison Service Station on Hiway Opens for Texaco

Morrison Service Station, owned and operated by Glenn Morrison, has been completed by the Texaco Company and is now in operation.

This station located at 1st Avenue and the Highway has been under construction for some time. Labor and material shortages have held up work on it.

Mr. Morrison will be assisted by Joe Prichard. Both are experienced service station workmen.

They will handle Firestone tires and accessories and will specialize in lubrication and waxing cars. Gas and oil will be the well known Texaco lines.

## New Nation of Israel Adds to Jew-Arab Fight

When the British withdrew from Palestine Friday, the Jews proclaimed the creation of a new nation, called Israel. The Arabs renewed their fight on Jews throughout the Holy Land.

Both United States and Russia have recognized Israel, much to the discomfort of the Arabs.

## Dr. J. P. Cornette Speaks at Pampa

Dr. James P. Cornette of West Texas State will make the commencement address of the Pampa high school Thursday night.

Knox Kinard is superintendent. He is a graduate of West Texas State.

## Charles Duvall Is Transferred To Littlefield

Charles Duvall has been transferred to Littlefield and Lee McLaury has been named local manager of the West Texas Gas Co.

Changes in management became effective Saturday.

Mr. Duval came to Canyon five years ago, and was in line for promotion which he received in the transfer. He has been building a new home in the east part of Canyon, and unless he locates a home that is satisfactory he will probably move the home to Littlefield.

Mr. McLaury has been with the company since graduation from West Texas State. He was captain of the Buffalo football team during the last year in college. When the war started he entered the Marine Corps as a private and advanced to the rank of lieutenant.

## Damages of \$450 Set Saturday by Jury in Court

W. W. Clouch was given damages in the sum of \$450 in district court Saturday against the city of Canyon.

The case was the result of locating the water tower north of the square, across the street from the Clouch residence.

The jury set the value of the residence at \$4,500 before the tower was erected and \$4,050 after the tower was placed on the city's lots.

Notice of appeal has been filed by the city.

## Former Resident of Canyon Made Short Visit Here Friday

Mrs. Joe Foster of Artesia, N. M., spent a few hours here Friday. She will be remembered as Birda Hastings, former Canyon high school student and graduate of West Texas State.

Mrs. Foster is president of the Third District of New Mexico Federation of Women's Clubs. She has been very active in all phases of club work in Artesia. She is leaving soon on an extended trip to the Hawaiian Islands, Alaska and Canada. A number of New Mexico women will accompany her on the trip.

## Election Red Cross Officers to be Held Annual Meet Thurs.

The Annual meeting of the Canyon Branch of the American Red Cross will be held at the City Hall Thursday evening, May 20, at 7:30 o'clock.

Election of officers for the ensuing year will be made at this time. The annual report of the work of the chapter will be given.

Mrs. Wainita Hutchinson, Area Representative, from Plainview will be here.

Everyone is urged to be present at this meeting.

## King Sells Bob's Cafe to Alvin Smith From Amarillo

Davis King, who bought Bob's Cafe from Bob and Pauline Clark a few months ago has sold the business to Alvin Smith.

Mr. Smith is an experienced cafe and restaurant man. He has been in business in Amarillo for some time before coming here.

Mr. Davis has returned to Bovina and to work for the Santa Fe Railroad for whom he had worked 25 years before buying the Cafe. His family will move as soon as the school term closes.

A son was born to Mr. and Mrs. Harold Higginbotham on May 17.

Mr. and Mrs. Theo Hall from Los Angeles visited from Sunday until Tuesday in the home of her mother, Mrs. J. M. Hicks. They then went to Tulsa, Oklahoma for a visit with his parents and will visit here again as they are enroute home.

Mr. and Mrs. E. M. Boston and family attended the Baccalaureate service in McLean Sunday. Billy Boston, their son, is a senior at McLean this year.

G. E. Clark left Sunday for Dallas, Fort Worth and Shreveport, La., on business.

## Grainmen Advise Farmers To Plant High Grade Wheat

Grainmen of the Panhandle were in session in Amarillo this week and issued warning to farmers that they must improve their wheat if they expected a future market.

Farmers were advised that the millers were demanding wheat for flour, and not wheat for export. Low grade of wheat have been accepted in the past for export, but this market will soon be closed to Panhandle wheat. Therefore, Panhandle farmers must raise wheat acceptable to millers.

It was estimated that the poor grade of milling wheat raised in the Panhandle in 1947 cost the producers an average of 15 cents per bushel.

## Ted Reid Told of Veteran Benefits at Rotary Lunch

Ted Reid was in charge of the program Tuesday at the Rotary Club luncheon.

Mr. Reid is in charge of veteran affairs at West Texas State, and told of the advantages enjoyed by the men who had served in the armed forces during the war. All phases of veterans training was discussed.

Music was formed by two war veterans.

Visitors were: Dughit Axtell of Spring Lake; Cliff Clark of Post; Bob Lindsey of Borger; Lee McLaury and E. A. Wooten of Canyon; O. K. Lewis, John Oakes, Dr. R. P. Parcells, Geo. M. Waddill, Forrest Barnes, Joe H. Brown, J. Harry Brown, Arch Hunsley, H. C. Pipkin, R. E. Wertz, E. C. Wagner, all of Amarillo.

## Football Fans Saw Buffaloes In Scrimmage

West Texas State College rang down the curtain on its spring football training program Monday night. Beginning with a Dutch supper for the supporters of the Buffs and ending with a scrimmage between members of next season's squad, it was a highly profitable evening.

Approximately 400 supporters of the Buffs from over the Panhandle attended the supper which was served in the Buffalo Courts and then attended the football game. At the game they were given an insight to a very promising future on the gridiron for the Buffs. Season tickets were sold during the supper and at the concession stand during the game.

The intra-squad game began at 8:30 and featured two alternating 20 minute sessions between the first and second and third and fourth elevens. Each unit saw forty minutes of action under game conditions with the officials being Corky Cornelius, Bill Teal, and Bill Ferem.

Only one incident marred the entire evening and that was the injury received by Harold Dalton, left guard on the first eleven, during the opening minutes of play. Dalton in stopping Junior Melton second team quarterback, received a possible ankle fracture and was removed to a hospital as play was resumed.

During the intermission at the half the W. T. Band demonstrated its ability to entertain with precision marching and twirling and acrobatics by majorettes.

## Selden Simpson Is Candidate State Representative

Col. Selden Simpson of Amarillo filed his announcement Saturday as a candidate for State Representative, 123rd District.

Col. Simpson is known to many Canyon citizens as he trained here with Company F before World War II. He went with the Company as First Lieutenant, and was discharged from the army with the rank of Lieutenant Colonel. He holds this rank in the National Guard.

Blake Timmons is the present State Representative from this district.

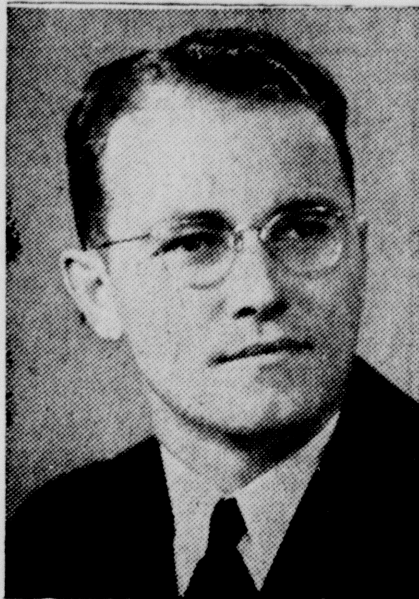

## Caso March May Run for Office of Texas Governor

Two potential candidates for governor are considering their political chances. Both have previously made the race.

The name of Roger Evans has been entered by friends. He advocates a state bonus for war veterans. The name of Caso March, Baylor University law professor, has been entered by 100 Baylor students.

Neither of these men have indicated their political plans.

## Boys Asked Not To Drive Cars Santa Fe Rails

Attention of the people of Canyon has been directed to careless driving on the streets and highways.

A new stunt was uncovered Friday when officers of the Santa Fe came to Canyon and complained of cars riding the rails.

Youths have been letting the air out of casings and driving the cars at breakneck speed on the railroad tracks.

Officers of the Santa Fe are greatly concerned. It will eventually mean the death of all the youths who are participating in the thrill of driving their cars on the rails.

Sheriff M. E. Cantrell has urgent requested that any person who sees a car or jeep being driven on the rails to call him at once. None of the drivers have the least idea as to when a train may either be met or catch up with them, and in either case it means sure death or injury for life to the entire party in the vehicle.

## Damage Suit on New Tourist Court Has Been Set June 1

The case of C. R. Burrow et al vs. John Hammond and Clyde Davis has been set in district court for June 1.

The case is the result of a land trade between the defendants and the city of Canyon whereby footage along Highway 87 was traded for 9 feet on Third Avenue. The new tourist court extended 9 feet beyond the property line on this avenue. Property owners adjoining this court claim damages to their property.

## College Term To End Thursday; Sermon Sunday

A week of activities for the graduating seniors will mark the end of the 1947-48 school year, culminating in the final graduation ceremonies Thursday morning, May 27, at West Texas State.

First on the program is the baccalaureate services Sunday morning in the Auditorium of the Administration Building, which will begin at 11 o'clock. Dr. Paul C. Wassenich will deliver the sermon.

The invocation for this program will be given by Rev. Benjamin Bollman, the Scripture will be read by Rev. Weems Dykes and Rev. Hubert Thomson will deliver the prayer.

Also on the program will be a special choir number, Gloria from the 12th Mass, by Mozart.

Sunday afternoon the college choruses and orchestra will present their annual commencement concert for the graduating class. "Rosamunde" will be the main feature of the concert, with the orchestra and both men's and girls' choruses participating. Dr. Wallace R. Clark is in charge of this program.

Tuesday night in the main auditorium the Buffalo Band will present their offering to the seniors with the last concert of the year.

Thursday, May 20, the seniors will have charge of the assembly in their annual Senior Day program. At this time several awards will be made and the seniors will have a short program for the entertainment of the rest of the student body. The seniors will also turn over their position in the school to the junior class during this program.

President Hill will give the seniors his annual reception Saturday evening, May 22, at 8:30 o'clock.

The final program will come Thursday, May 27, at 10 o'clock in the Administration Building auditorium when the graduation exercises take place.

Dr. D. M. Wiggins, president of Texas College of Mines will deliver the commencement address.

The college orchestra will play the processional, Priests March from the Opera Aida by Verdi and will present another number preceding the granting of degrees as well as the recessional.

Prof. Joseph Findley will deliver the invocation and President Hill will be in charge of the granting of the degrees.

After this the audience will sing the Alma Mater.

One hundred-nine will receive degrees at this ceremony, of which nine will be given Master of Arts degrees; 13 Bachelor of Arts; 11 Bachelor of Business Administration; and the remainder will be granted Bachelor of Science degrees.

The exercises this year will be the thirty-eighth in the history of the school.

## P. T. A. to Install New Officers in Last '47-'48 Meet

Canyon Parent-Teacher Association will hold its final meeting of the year next Thursday afternoon at 3:30 o'clock in the grade school library.

Installation of officers is to feature the business session with Mrs. J. C. Alexander, District President, of Amarillo, as installing officer.

Mrs. J. D. Barker, president, urges that all parents and friends plan to attend. Parents of children who are entering school for the first time next year are given a special invitation.

Special music will be provided and a social hour will follow the meeting.

## Have You Seen A Beauty Spot In Canyon

Where do you drive on Sunday afternoons or after work during the week?

Why not look for beauty spots around Canyon?

This is the season for peony blossoms. Few places are more beautiful than the peony field at the Stevens Floral Company at the west end of 8th Avenue. One can scarcely dream of more beauty than is centered there. On fences and trellises are long fronds of wistaria. Clematis, cornflowers, poppies and pansies are in full blossom.

In the hot houses there one sees many beautiful plants ranging from sweet peas to gardenias, blooming in profusion.

Why not drive out to see them? Then drive around over town to see what your fellow citizens are doing to make Canyon a more beautiful place in which to live.

Guests in the home of Mrs. J. A. Moore last Friday were: Mrs. Charlie Ikard of Decher, Tennessee, Mr. G. W. Rowe of Holiday, Texas, Mr. and Mrs. L. P. Rowe of Wichita Falls, Mr. and Mrs. Roy Pendleton of Stratford, Mr. and Mrs. Grady Pearson of Spearman.

Mr. and Mrs. John Hicks and family of Hereford and Mr. and Mrs. David Boyer of Amarillo visited in the home of Mrs. J. M. Hicks, Sunday.

## LYNDON JOHNSON'S GAMBLE

Lyndon Johnson announced Wednesday that he is a candidate for United States Senator to succeed Pappy O'Daniel. He promises to open his campaign in Austin this week.

The people of Texas will listen with a great deal of interest to his opening speech.

Johnson has been a member of Congress for 20 years. He could have been re-elected to the House of Representatives without difficulty. But he chose to gamble his future political career by announcing for the Senate.

The Johnson announcement reminds us much of the career of Senator Tom Connally. Connally was a member of the House, and safe in his job. He decided that he could whip Earle B. Mayfield, and entered the fight. In that instance Connally had the advantage of the clan issue, with Mayfield on the defense.

Johnson was a close friend of the late President Roosevelt. Perhaps he feels there are enough new dealers left in Texas to put him over. O'Daniel, if he runs, takes the position of strictly anti-new deal. Coke Stevenson and George Peddy have been noted as middle-of-the-roaders. They were new dealers, when right; but did not hesitate to oppose the new deal methods when they thought this political philosophy was wrong.

Whether Johnson can be elected on the new deal platform and on the political theories of the dead president remains to be seen. At least, the drab state campaign, which has been dragging along will get a shot of life. Johnson is expected to make a vigorous campaign. Stevenson Peddy are forceful campaigners when they get warmed up.

(Since this is written on Thursday, no one knows what Pappy will do.)

We are told that down at Brownwood on May 25, the anti-Truman forces will be in charge, and that the President is doomed to be slapped down. While a lot of fellows think they are going to get Governor Jester's political scalp at the same time, we wonder just how far they will get in their desire to discredit the Governor. Jester has made it clear that he is not in sympathy with the move to bolt the Democratic party, as other Southern governors have advocated. But he does not want to see the President renominated. As we see it, this is not a great crime, but we doubt very much whether the wishes of either Governor Jester or the other Southern governors will be carried out. The South is not ready for the two-party system, regardless of what a forceful minority within the party may think.

According to fire insurance companies, nearly one-third of the fires of the nation are caused by carelessly disposing of cigarettes and matches. Have you ever noticed how many smokers look for the wastepaper basket in which to throw their stubs? If you will notice carefully, only a small percent are careful—very careful—to see to it that the cigarette is entirely dead before throwing the stub into the wastepaper basket, a potential fire hazard. The second largest cause of fires is careless use of electricity. These two account for more than 40% of the fires in America, all of which could be avoided by the use of common sense.

Those Texans who have been making light of the campaign of Governor Jester to save the tide-lands for Texas are amazed at the response with which his fight is being received throughout the nation. The people of Texas will save millions of dollars in oil royalties when Congress passes the bill allowing the state to keep this land. We are certain that Governor Jester is not making this fight for pure political purposes, but for a great cause. Disparaging remarks about the fight shows the silliness of Texans who utter them.

I have no plans for the future. How can one plan nowadays?—King Michael, deposed monarch of Romania.

Don't be too overoptimistic over the Russian proposal to sit down and talk things over. We recall that Molotov has been doing a great amount of talking, all of which came to naught, and was largely against the United States. Perhaps the present softening attitude of Russia is an attempt to get the United States to forget the past, and fail to carry on the defense program.

The big chiefs of the trainmen followed the John L. Lewis pattern up to the point of getting a million dollar fine slapped in their face. At this point they decided that a strike wouldn't be worth the price. Perhaps they do not have so much money to squander as Lewis seems to have, or they may be a little more cautious. Not many labor leaders consider they are above the government—like John L.

President Truman will make a swing through the west, making non-political talks. But his train is modernized with all kinds of loud speaking gadgets, which makes it appear that the President will be loaded and ready to talk politics if the opportunity presents itself. Yep, and those opportunities usually show up when they are courted.

President Truman is to base his re-election argument upon the claim that his policies have given this country the greatest prosperity in all of its history. Instead of pointing with alarm at inflation, there will be pointing with pride at the full employment, big profits, high wages, farm prosperity that go along with inflation.

SERVEL Pays Off Because It Operates For Less On Cheap Panhandle Gas!

We're fortunate, here in the Panhandle, because we live close to the heart of the world's largest gas fields. Which means, of course, that we enjoy gas rates that are among the lowest in the nation.

And that's why Servel gives us a double pay-off in low cost operation. Servel's tiny gas flame is famous for economical operating cost everywhere. Here, in the Panhandle, it's exceptionally low.

But there's more to it than that. Servel's Gas Refrigerator pays again because maintenance cost is almost unheard of regardless of age or years of service.

You see the Servel Gas Refrigerator has NO MOVING PARTS IN ITS FREEZING SYSTEM. There's no motor, no valves, no piston or pump, no machinery to grind, get noisy and wear out. Just a tiny natural (or liquid) gas flame does all the work. And, whoever heard of a noisy gas flame... or, a gas flame wearing out?

Yet, with all its ruggedness, Servel has not sacrificed beauty or convenience. Its gleaming white beauty of styling makes it a welcome addition to any home. Its big frozen food compartment holds a bushel of frozen foods. It's dew-action vegetable fresheners keep vegetables garden-fresh in appearance and taste. Shelves are adjustable to eleven different positions and are plastic-coated to keep them rust-free, scratch-free and make them easy to keep clean.

## BOYCE HOUSE

Sleep is a mystery. Someone said that man spends one third of his life asleep and yet fears to die.

But the mystery of sleep is its perverseness. Shakespeare has a careworn king declaim that slumber comes to the lad atop the giddy mast when to nod even a moment may mean death but avoids the couches of monarchs.

Shakespeare by no means exhausted the possibilities. For example—why is it that I can sit in an uncushioned chair in the reading room of a public library and drop into a doze; or can, after the cold boiled ham and insipid apple pie of a Rotary Club luncheon, find my head grow heavy and suddenly "come to" with the realization that I have been snoozing while the speaker of the day was saving the world—and yet, let me lie down at night on a bed in a hotel room for which I am paying \$4 and I have had a hearty dinner, if the man in the next room is talking over the phone and his voice comes dimly through a wall it keeps me awake?

I can sit bolt upright in a Pullman car seat—which is as unyielding as a law of the Medes and Persians—and, in broad daylight, I can slumber. But when the porter has made down the berth and I am arrayed in pajamas and all is dark, lo! sleep is far away.

But if I am driving at night, I may become so drowsy that I have to thrust my head out the window in the cool air, stop at a roadside cafe and drink a cup of black coffee but still have to fight against falling to sleep at the wheel and so give up and stop at a hotel—and then become wide awake until almost dawn.

Why can't I go to sleep? But don't try to tell me; probably I'd be

## Topeka Pastor To Talk Sunday on the Methodist Hour

Dr. Ormal Miller, pastor, First Methodist Church, Topeka, Kansas will be the Methodist Hour speaker for Sunday, May 23. Dr. Miller will speak on "The Conquest of Evil."

Dr. Miller is a native of Minnesota, a graduate of Hamline University and Garrett Bible Institute. Before going to First Church, Topeka, Dr. Miller served pastorates in First Methodist Church in Evanston, Illinois and the University Methodist Church, Madison, Wisconsin.

The sermon "The Conquest of Evil" is the eighth in the series of 1948 Methodist Hour broadcasts with the theme "The Teachings of Jesus and the Present Scene."

Music for this series is furnished by the Methodist Hour choir under the direction of John D. Hoffman with George L. Hamrick at the organ. These Sunday morning broadcasts may be heard over station KGNC at 7:30 a. m.

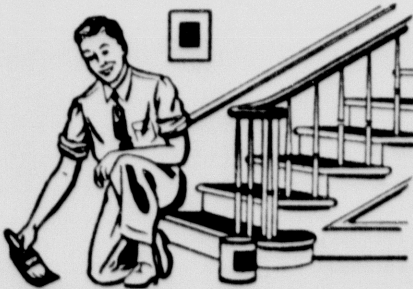

asleep before the explanation was half finished.

## Dairymen Thruout Nation Opposed to Repeal Oleo Tax

Already passed by the house, it seems certain that the tax on oleo will be repealed before the end of this session of Congress. The tax brings in \$7,000,000 per year.

The treasury department has approved repeal of the tax. A large group of dairymen from the Panhandle have been to Washington to oppose repeal of the oleo tax.

Mr. Ray of Vernon, father of Mrs. P. S. Crowder, former citizen of Canyon, was buried at Vernon Sunday afternoon. Mrs. Crowder is the mother-in-law of Mrs. Louise Wester Crowder of Clovis.

Mrs. Bryan McDonald has returned from Ozona, Texas where she visited with her mother, Mrs. C. E. Davidson, and other relatives.

Mr. and Mrs. T. H. Utz and Mr. and Mrs. John Doherty of Amarillo were Sunday guests in the home of Mr. and Mrs. A. B. Odom.

Misses Wilma Cupell and Frances Smith, who are teachers in Skellytown visited in the B. L. Cupell home over the week end.

Mr. and Mrs. Max Barnard spent the week end in Vaughan, New Mexico, visiting with Mr. and Mrs. John R. Pool.

## Hangar Bought From PAAF for WT Use

Virgil Henson, business manager of West Texas State, announced officially last week that a huge hangar at Pampa Army Air Field has been released to the college.

The structure, which is 161 feet wide and 212 feet long, will serve as class room space for physical education classes when it is moved from the Pampa field.

Ted Reid, coordinator of veterans affairs for the college and also the man responsible for getting the surplus materials from the War Assets Administration, has been working for over a year on the deal, which was closed recently.

Contract will be let for the moving of the immense structure from its present place, Henson said. It will have to be made into several parts to move it, since it is a wooden building.

Location of the hangar on the campus is not certain yet, stated the business manager, although by the time the moving contract has been let a place will have been made for it.

Altogether, this building will save the college nearly \$150,000 on the cost of building a new class room building of equal size, or over two-thirds of the cost.

Also, last week Mr. Reid took a group through the surplus materials warehouse which is out behind the Pueblo Courts. Many thousands of dollars worth of supplies are stored in the place, which are to be used by many different departments of the college.

One of the main things found in the warehouse is a huge supply of radio equipment including transmitters, receivers, earphones, tubes, and nearly anything else needed for a radio shop, which Mr. Reid said was in the offing.

Medical supplies, which are to be used by the health center, include medicines and bandages by the score. Also a great variety of chemicals are to be found in the warehouse, to be used by the chemistry department.

The physics department will not be left out, either, as there are five

brand new sextants, which have never been used, and a telescopic alidade.

Photographic equipment in bountiful supply will be used by the department of journalism. This includes unused movie film by the thousands of feet, developing tanks, enlarging easels and chemicals.

All this valuable equipment has been collected by Mr. Reid and others during his stay here as veterans coordinator. He has traveled all over the nation and particularly to San Antonio and Fort Worth in Texas getting the equipment for the school.

## Stalin Would Rush to Aid of Wallace For a Conference

Joe Stalin has come to the aid of his friend, Henry Wallace.

Wallace has approved the plan for a conference between the United States and Russia.

Stalin has accepted the Wallace plan, which was rejected last week by President Truman, who will not make commitments without the advice of England and France.

## Soft Ball Teams To Organize For Summer

On Monday evening, June 7 at 7:00, all those interested in organizing soft ball teams for the summer are invited to meet in the office of Gus Miller, director of Physical Education at Buffalo Gym.

Teams will be organized and plans made for summer play.

## CLOVIS GOODWILL

A Goodwill delegation from Clovis, will visit Canyon Thursday, May 27. They plan to arrive here about 10:50 a. m.

Mrs. T. E. Allen of Midland is visiting in the home of her parents, Mr. and Mrs. C. O. Cooper.

J. M. Briggs from Abilene, Texas, visited Sunday night with his brother, Cecil Briggs, and family.

Mr. and Mrs. Art Roberts and Mr. and Mrs. E. C. Penick visited in Dumas Sunday.

Mrs. Wayne Bagley is now working as bookkeeper-clerk in Farlow Electric Company.

Mrs. R. T. Furlow visited with friends in Lubbock Monday.

Wilbur H. Norton, Montgomery Ward president, sees business trends this way: For the quarter ending April 30 the company's sales topped \$278 million—an all-time high. May-June sales are expected to be equally good. But for all the company's buying is "conservative." Reason: He believes consumer goods prices will weaken and doubts predicted shortages will occur.

Peak in food prices has passed and will gradually stabilize downward, says Paul S. Willis, president of Grocery Manufacturers of America. Present food supply is closer to demand than in many years and favorable crop conditions in U. S. and abroad will bring further improvements.

A Swedish Government that is looking for Marshall Plan dollars, at the same time is looking askance at any real commitments to Western Europe that would be frowned upon by Russia. There is a strong element in Sweden that thinks there is more danger in co-operating with U. S. than in playing closer to Russia.

Vast quantities of woods hitherto little used in paper production can now be added to the nation's short supply of pulp-timber through a new synthetic resin. The resin adds strength to paper from short-fiber deciduous woods like maple, beech, birch and poplar.

National Affairs Counselors, Inc. is a new Washington organization to represent small businesses. It undertakes to contact Congressmen, Federal departments and agencies, embassies and consular offices. Purpose: to speed decisions and cut red tape for clients.

The group of nine so-called Republican liberals in the Senate is heavily weighted with Senators who feel that they may have a chance to get the vice-presidential nomination on the Republican ticket.

Many observers note alarming symptoms of "technological decline." William J. Kelly, president of Machinery and Allied Products Institute, foresees economic stagnation unless industry speeds mechanization.

You'd think that totalitarians would get on to themselves. None are tougher than Hitler's gang of dead end kids, and they certainly came to a dead end.

54% of industry's machine tools are obsolete, says Lt. Col. James L. Massey of the Industrial College of the Armed Forces; total output per man is down in consequence.

An 8%-12% increase in refinery output is bigger than oil men hoped for a few months ago. New England, mid-Atlantic and Midwest states will have to put up with spot shortages during peak driving this summer, but otherwise the higher output will about match the need.

Electric and gas appliance manufacturers are starting a sales and advertising battle over the appliance market. Electric men envy the 1.6 million liquid petroleum (bottled gas) ranges sold last year while only 1.2 million new electric ranges went into the service.

Latest thing in men's styles, shown at a New York fashion show, is the "accompanying look"—matching suits for husbands and wives. To make them look alike, men's coats are made extra long, colored mostly blue, favorite feminine hue for '48.

William H. Krieg, president of Packard Mfg. Co., leading juke-box maker, says his company will raise prices 10% on June 1. Reason: The "almost certainty" that the Government will return to a priority system on raw materials within 60 days because of the rearmament program.

## News In Canyon 25 Years Ago

(Taken from the files of the  
Randall County News of  
May 17, 1923)

President J. A. Hill returned from Austin after adjournment of the legislature. Appropriations for West Texas State for the coming two years are: \$240,520, and \$215,920.

A. J. Arnold, owner of the light company, has agreed to give 24-hour service starting June 1. The city ordered installation of 40 more street lights.

Mrs. Tom Delaney of Memphis was selected as the first Methodist student secretary in the college.

Mayor C. N. Harrison called attention to the fact that riding bicycles, using roller skates and spinning tops on the sidewalks violated the city ordinance.

Governor Pat M. Neff is being suggested as president of the University of Texas.

The funeral for Jesse James Schaeffer was held at the home of his mother, Mrs. Lizzie Schaeffer, in the southeast part of the county. Ted Reid, a graduate of W. T., was elected superintendent of the Farwell school.

A city hall and jail will be built by the city, just south of the American Legion Hall.

## Crippled Children May Receive Free Examination May 22

A clinic for orthopedic examination for deformed children will be held on Saturday, May 22, beginning at 8:00 a. m. in Khiva Temple, corner 5th and Fillmore, Amarillo.

Dr. C. A. Pierle, Potentate Aide for Randall County, said, "any child with a deformity under 15 years of age regardless of race, creed, or color, and where the parents are unable to pay, is eligible and welcome." Applications for this clinic can be obtained from Dr. C. A. Pierle, or any member of Khiva Temple.

"This clinic is sponsored and financed by the Khiva Kendrick Fund and it is their sincere desire to be helpful to any and all unfortunate and deformed children living within the jurisdiction of Khiva Temple.

Receptionists, nurses, and orthopedic surgeons will conduct the clinic. They will make examinations and give their recommendations during this clinic. It will be conducted for examination only.

Applications can also be obtained from Khiva Temple, Box 328, Amarillo, said Dr. Pierle.

President Truman is somewhat disturbed by the way the idea of imminent war with Russia hangs on in the country even after the official line has changed from war scares to more emphasis upon the prospect for peace.

## We're Going to Church

**AND** A fine resolution it is! Worthy is it of our careful consideration! Every woman and every man in all this country will be a better citizen of his country and a better member of his community if he will follow this example.

**T**HE Church speaks of God and of the eternal things; here serious people meet for the worship of the Highest and for giving thanks to the Giver of all good things to men. It is the symbol of man's upreaching of soul for that which abides and for that which links the human with the divine. Just as the soil grows sour and barren if it gets no sunshine, if there is no sky above it, so the human heart must have its heaven if it is to keep sweet and rich and productive of good.

**"W**E'RE going to church" for our own sakes, because we want to live nearer to the ideal. There we shall have good fellowship with other souls that are questing for the high and the holy and the true and the good. There we shall bow together before the God of forgiving grace and tell our sins, leaving them on the altar as in penitence we turn from them to walk the better way of good comradeship together. Repentance is a bath that cleanses the soul; consecration is the fire that warms and renews the soul; God is the Comrade and Friend and Saviour of every soul.

**"W**E'RE going to church" for the sake of the children we love and in high resolution that they shall be given the opportunity to live like the children of God; it is not enough for us to feed and clothe their bodies, for they are persons of eternal value, they are spirits akin to the Eternal God. Together we shall pray and worship; then we shall live helpfully and gloriously. "We're Going to Church!"

### YOU IN THE CHURCH THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. State-men today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you"—form a combination for good.

## Mullins-Browder Wedding Rites

MRS. DAVE BROWDER

Martha Louise Mullins, daughter of Mrs. Ethel Mullins, and Dave Browder, son of Mr. and Mrs. Dave Browder of 900 Jackson St. in Amarillo, were married in a western style ceremony on the Lucky GJ Ranch near Denver, Colorado, Tuesday, May 4.

The whole wedding was western, with the bride and bridegroom and all the guests in western clothing. Following the ceremony the bride and bridegroom were honored with a western dance and dinner.

The ranch is owned by friends of Mrs. Ethel Mullins, owner of La Duchess Shoppe.

Dr. Paul Martin Bishop performed the ceremony. He was at the time visiting at the guest ranch.

Best man was Jim Horner of Roman, Montana, and maid of honor was Jane Browder, sister of Mr. Horner, who lives in Denver.

Mr. and Mrs. Browder were both students at West Texas State. Mrs. Browder was a sophomore art major and Mr. Browder was a junior.

The couple will make their home in Roman, Montana.

## MOTHER-IN-LAW CLUB HONOR HUSBANDS WITH DINNER

Highlighting the social affairs of the week was the Mother-in-law Club annual gathering of husbands and wives for a covered dish supper at the home of Mr. and Mrs. G. W. Cox.

Decorations featured peonies and roses in artistic arrangements.

The serving table was centered with a bowl of pink roses and fern to accent the pink and green color scheme carried out in the dining room.

Mrs. Cox was assisted in serving by Mrs. Brandon and Miss Mary Jane Duncan.

The program opened with piano selections by Mr. and Mrs. E. C. Hawes. Readings were given by Mrs. Columbia Redfern and Mrs. Lowry. Folk songs were led by Mr. E. C. Hawes. Old time French harp selections were given by Mr. Cox and Mr. Hawes.

Club members and guests present were: Mr. and Mrs. Roy Holland from Muleshoe, Mr. and Mrs. I. W. Scott, Mr. and Mrs. E. C. Hawes, Mr. and Mrs. W. L. Rice, Mr. and Mrs. C. W. Dunn, Mr. and Mrs. J. T. Rose and Miss Columbia Redfern, Mrs. Nellie Cleland, Mrs. Bell Ward, Mrs. Jesse Reid, Mrs. E. C. Penick, Mrs. Elsie Mincey and the host and hostess.

## PLEASANTVIEW H. D. CLUB HONORS EX-MEMBERS

Friends and ex-members of the Pleasantview Home Demonstration Club were honored Thursday afternoon, May 21, with a tea in the home of Mrs. Albert and Henry Meyer. Spring garden flowers were attractively arranged throughout the rooms.

Each person was presented with a lovely corsage upon arrival. Mrs. John Jennings was in charge of the opening exercises. A song "The More We Get Together" was sung and roll call was answered by each one telling "Two Colors I Most Enjoy Wearing."

Committees were asked to give reports. Mrs. M. B. Brown gave the Council report.

The program was conducted by Miss Lou Ella Patterson. She gave a demonstration giving instructions and precautions in buying ready-made slips and dresses. Games were played and an exhibit of handcraft articles was made.

Punch, ribbon sandwiches, cookies, nuts and minis were served to guests. Mrs. Ed Caskey, Mrs. C. H. Parker, Mrs. J. D. Windham, Mrs. Biddle Price, Mrs. R. N. Cooke, Miss Lou Ella Patterson, Mrs. Morris Abbott, and members Mrs. J. H. Barrett, Mrs. Jim Bille, Mrs. Tom Moore, Mrs. M. B. Brown, Mrs. J. W. Howell, Mrs. A. B. ## CONDON SPEAKS AMERICA'S PLACE IN OUR CIVILIZATION

May 10 at 3:30 p. m. the Sue Hite Club met in Thompson Club Room. Program chairman, Mrs. Herschel Coffee introduced the guest speaker, Dr. S. H. Condon.

The club was most interested in hearing Dr. Condon's topic "America's Place in World Civilization."

At the close of the program the club was honored to have Mrs. James P. Cornette accept election as an associate member.

For the project to be sponsored for the coming year it was voted the Sue Hite Club would raise funds to aid the work of the Girl Scouts in Canyon.

At 3:30 p. m. on May 24 the Sue Hite Club will close the 1947-48 year as tea guests of Mrs. J. A. Hill.

Those present were: Mrs. D. M. Foster, Mrs. Hud Prichard, Mrs. W. E. Miller, Mrs. Frank Morgan, Mrs. Frank Barnhill, Mrs. Aubrey Crossland, Mrs. Chas. ## Cox and Wallace Wed in Home

Betty Ruth Cox, daughter of Mr. and Mrs. Neely Cox, and Hardy Elbern Wallace, son of Judge H. A. Wallace of Tulsa, were married in the home of the bride's parents at 2106 7th Avenue last Wednesday at 7 p. m.

Mrs. Jonnie Bumpas was matron of honor and Ray Wise was best man.

June Wimberly played traditional wedding music which included "Because," "Wedding March" from Lohengrin and "Clair de Lune."

Betty is a 1947 graduate of WT and was a member of Kappa Tau Phi Sorority.

The couple will make their home in San Francisco, California, for the duration of the bridegroom's enlistment in the navy.

## MRS. R. A. BURRUS HOSTESS TO WEST SIDE H. D. CLUB

With each club member answering roll call with the "Two Colors I Enjoy Wearing Most," the West Side Home Demonstration Club met in the home of Mrs. R. A. Burrus Wednesday, May 5.

After the business meeting and council report given by Mrs. J. D. Pruitt the meeting was turned to Miss Lou Ella Patterson, who gave some very important pointers in buying ready-made slips and wash dresses. She showed samples of well

## Polio Control Is Possible Through Strict Sanitation

Dr. Geo. W. Cox, State Health Officer, has issued the following statements and suggestions concerning the control and prevention of poliomyelitis which is now occurring in some sections of the State.

Strict sanitary measures should be observed in all communities. Eliminate rats, mosquitoes, and houseflies, and destroy their breeding places. Every effort should be made to secure approved garbage collection systems and safe water supplies. Where adequate municipal sewage disposal systems are not in operation, it is vitally important to maintain sanitary septic tanks and outdoor privies.

All swimming pools should maintain standards approved by the State Department of Health, which includes maintenance of proper chlorine level.

Only approved milk should be used, and raw foods and vegetables should be washed thoroughly before use, and protected from flies, filth, and insects. All foodhandling establishments should adhere strictly to the State Law concerning the sterilization of dishes and utensils. Those restaurants with insufficient personnel to maintain approved sanitation should close one or two hours a day so that employees can assist in maintaining cleanliness.

Over-exertion in children should be avoided, and they should not visit in homes where there is illness. It is advisable to reduce to a minimum all human contacts, especially in children during an outbreak of this disease. It is not advocated that schools, churches, and theaters be closed.

Early symptoms of infantile paralysis are headache, fever, vomiting, drowsiness, followed by stiffness in the neck and back. When suspicious symptoms appear, a physician should be called immediately.

If Paul Hoffman streamlines ECA machinery as much as his firm did the 1948 Studebaker cars, Europe won't know whether it is coming or going.

## Chapel Model To Be Shown

A scale model of the Chapel soon to be erected on the campus will be displayed this week in the hall of the Ad Building. The model will be displayed so that students may see what the new Chapel is going to be like. Contributions will be accepted by anyone who wishes to put money into the fund, announced Dr. J. A. Hill, president.

The model was built by Elmer W. Schultz, a senior from Canyon.

The goal for the building fund is \$50,000. So far there has been \$36,000 in contributions received in the fund. Dr. Hill said there was \$2,000 more pledged. Donations have come from all parts of Texas and particularly from the area served by West Texas State. People from all walks of life have made contributions from several Southwestern states and one sizable contribution was made from Chicago.

According to an announcement from the President's office, the contract will be let before Dr. Hill retires as president of WT.

The Chapel will be placed between Cousins Hall and the Veterans Guidance Center facing inward toward the campus.

Contributions have come in from people of all faiths and beliefs. The Chapel will be a non-sectarian place of worship. The dimensions of the building have not been released, but the building will be arranged to suit all types of services for all denominations.

## First Christian Services Earlier Sunday Morning

The First Christian Church will have its morning worship service at 9:00 a. m. Sunday and Sunday school at 9:45 a. m. so that those who desire to attend the Baccalaureate services at the college at 11:00 a. m. may do so.

There will be no evening worship service at the church.

Clothing for over-seas relief and books for Jarvis Christian College for Negroes will be received at the church this week.

Two best hopes for industrial modernization are: (1) Today's high labor costs may make it economical despite present tax and depreciation rates; (2) Industry will get a stimulus from surveys now being made by the armed services to measure machine and plant obsolescence in terms of lost production.

## Senior Class Sponsor Announces Plans for Remainder of Term

Two Canyon High Schools Join Sunday For Special Sermon

After their return from a tour of south Texas, Mr. T. L. Devin announced the schedule of the senior class for the remainder of the term.

Wednesday at one p. m. the graduating classes of both Canyon high schools will practice for the Commencement Sermon in the college auditorium. Sunday at eight p. m. the Commencement Sermon will be held in the W. T. S. College. Tuesday morning at 11:15 a. m. the class will give its farewell program in the Canyon High School auditorium. Seniors of C. H. S. will don their caps and gowns on Friday morning and will wear them until graduation.

The program for the commencement sermon is as follows:  
Chairman—Supt. F. E. Savage  
Invocation—Rev. Hubert Thompson  
"Thy Way, Not Mine"—Assembly  
Prayer—Rev. W. T. Phelps  
"May Peace Abide With You"—Choir  
"Invocation"—Choir  
Announcements—Supt. E. A. Wooten

Sermon—Rev. B. F. Bollman  
Benediction—Rev. Weems Dykes  
Recessional—Joint Orchestra  
"The seniors had a busy schedule for the last two months of school. They are a splendid class and I have enjoyed being with them," says Mr. Devin.

## Grade Notes

Mrs. Stella Murrell's second grade had an all day picnic out at the country home of Mrs. Campsey, last Wednesday.

Mrs. W. L. Avenet gave a birthday party for her son, George, and members of his third grade class last week at her home. Cakes, candies and candy were served to the group.

Betty Ruth Marmer, a student in Mrs. Dan Usery's section of the third grade, has a perfect spelling record this school year.

Mrs. Cousins' fourth grade is working on a unit of cereal grains of the United States and its outlying countries.

Paul McKinney spent the weekend in Erick, Oklahoma, and Eddy Baca went to Portales, New Mexico.

Mrs. Dan Ransom and Barbara of Claude gave Mrs. W. Collins' first grade a party last Wednesday. Punch and cookies were served.

The students in Mrs. John Davis' sixth grade have been working for a reading certificate this year. Before this year they could read 30 books on the reading list as compiled by State authorities, but this year the rules are changed. Pupils must read ten books per year until all 30 are read; thus, it will take three years to complete the work and receive the certificate.

Students who are eligible to receive these certificates are: Jo Ann Micker, Teddy Love, Ann Holt, Jerry Martin, and Billie Graham.

Those with two years reading are: Delores Price, Bob Cole, and La Netta Wallen.  
Those finishing one year's reading are: William Pond, Alan Hawkins, Davis Bourn, Jimmy Weiler, Rae June Cobe, Arlene Rutherford, Penny Shetter, James Head, Shirley Peppard, Virginia Holt, Edwina Caskery, Billy Ray Carter, Jay W. Bollman, Jane Rose, Norma Rutherford, Norman Turek, Dorothy Neblett, Lonnie Davis, Martha McBroom, and Lela Hunter.

The following students have a perfect attendance record: In Mrs. T. W. Collins' room, Glen Ray Devin; in Mrs. Stella Murrell's room, Barbara Tucker; in Mrs. Dan Usery's room, Janell Reynolds; in Mrs. Cousins' room, Marvin Tucker; in Mrs. Jones' room, Elvora Money; in Mrs. Iverson's room, Jim Reynolds, Shirley Peppard and Mary-Sue Raley; in Mrs. John Davis' room, Arlene Rutherford; in Mrs. Walsh's room, Will De Vaney; and in Mrs. Goodman's room, George Avenet, Leo Rapsky and Terry Wilson.

Demosthenes was the most famous orator in ancient Greece.

Here's Cal back for the last time this year, with the latest bit of juicy news.

Joanna Haines and Bill Dogin seemed to be having a wonderful time at the Trailway Drive-in Theatre Saturday night.

Well, Tommy Hunter, Cal is driving to learn how your trip to Ruidoso turned out, or should I ask Sue Lamkin?

What is this I've been hearing about Dixie Whitman and Charles Donnell? Could it be love?

Here's cheerleaders to the couples who have gone together most of the year. Lee Bailey and Verna Davenport, Frances Standley and Marvin Pite, Barbara McDougal and Wayne Griffin, Dorothy Butler and Bob Dunevan, Frank Heare and Marian McReynolds, and Harold Martin and Katie Purlow.

Mary Sue Foster, so it was reported, had a wonderful time with that guy Cummings.

Bertha Lee Lindsey and Golden Currie seem to be keeping steady company now days.

Harry Campfield, what's this I hear about you and a cute little gal going dancing out at the Grand Palace Saturday night?

Here's to a girl who may see her name in print, Marcellite Wilson.

On the senior trip, Dick Barrett made the rounds, so to speak, Martha Wilson, Jean Hill and Valeta Haines.

Max Bellah please explain your statement "Roll up your legs and walk across." Hummmmm!

Jo Parker, so I hear, has a date with Don Hickman for the coming week end.

Bobby Ford and James Inman have been seen together quite a bit lately. Mumbly!

Evidently water guns are too slow for Troy Thurmon. He prefers to throw buckets of water. Oh drip, drip.

Rebecca Irvin and Bryce Slack have a date for the choir picnic.

Well, kids, until next year old Cal says, "Buenos Noches, Hooches Gooches, and so long everybody."

## Saint Mary's Win First Place Over Wayland College

College P. E. department sponsored a girls' softball tournament Saturday, May 15.

Only three teams out of the twenty invited found it possible to attend. These were Wayland College from Plainview, Saint Mary's from Amarillo, and Canyon High School of Canyon.

Wayland College's team defeated Saint Mary's in the first baffling game with a score of 14 to 15. Canyon and Wayland met in the second game of the tournament. Wayland trampled over Canyon 20 to 29.

The two losing teams, Canyon and Saint Mary's played hard for a comeback. Saint Mary's defeated Canyon 25 to 27.

The final game was played between Wayland and Saint Mary's. With a score of 10 to 9 Wayland was downed by Saint Mary's.

First and second place ribbons were presented to the two top teams and Wayland received the Sportsman ribbon award.

All the rewards were presented by the Chamber of Commerce.

## THANKS

As this is the last edition of the Eagle's Tale and school is coming to a close, I want to express my appreciation to the faculty, administration, student body, Mr. Warwick and the News staff, and especially to Mrs. Gilmore and the staff for the cooperation and help extended to me during my editorship of the Eagle's Tale. I want to wish the editors next year all the luck and enjoyment I have had in this position this year, and I hope they benefit from it as much as I have.

## Martin Will Fly To Convention

Sarah Jane Martin will represent the CHS Junior Red Cross Chapter at the National Convention in San Francisco, June 21-28.

She with Barbara Beck, representative from WT High, sponsored by the Senior Red Cross members of Canyon, will fly out and return on the TWA line. They will attend instruction courses during the day, and will see exhibits of work done by other Chapters in various states.

They will attend one formal banquet at which one of the leading officials of the organization will speak. One afternoon of the time will be devoted to a tour of the city and the surrounding country.

Their evenings will be free for visiting shows, recreation spots and the parks.

Sarah Jane was appointed to this position by Mrs. Bernice Bartlett who was chairman of the CHS Junior Red Cross chapter.

## Farewell Will Be Final Assembly

Final assembly of the Senior Class of this year will be held in the auditorium Tuesday, May 25, at 11:15 o'clock, at this time the "Class History" will be given by Jean Hill, Max Bellah and Austell Burrus. The "Class Will" will be prepared by Martha Jean Avenet, Joan Morton, and Valeta Haines. The "Class Prophecy" will be given by Frances Standley, Rita Gunter, Clifford Burtz and Geneva McDougal. Concluding the program the classes will shift to their next year's position. That is moving to their new seats nearer to the front.

## Final Exam Is Scheduled Soon

For the following week of school, this schedule will be followed:

Final examinations will begin at 12:45 p. m., Tuesday, May 25. Senior students will be exempt from an examination provided the student has an average of B or better. The schedule is as follows:

Tuesday, May 25,  
12:45 to 2:15, all first period classes.  
2:15 to 3:45 all fourth period classes.

Wednesday, May 26,

## H. E. Girls Show Dresses in Skit

Every head was turning and every neck straining when the Home-making Classes I, II, and III presented their Style Show in the skit, "Aunt Abby's Print Shop."

The Style Show consisted of the modeling of the garment each individual girl had made, either in class or as a home project. Before the style show, a pantomime was presented, "All For Aunt Matilda." The cast included Mary Ann Baker as the cook, Peggy Jean Moore as the mother and Linda Dooley and Barbara Head as the children. Characters in "Aunt Abby's Print Shop" were Juanda Edwards as Miss Squeers, Jo Parker as Sally Jones, Donna Erwin and Jean Smith and Marcellite Wilson as the customer.

During the second act of "Aunt Abby's Print Shop," the following was modeled: Summer Cottons by the Freshmen; Helen Borden, Barbara McDougal, Katie Purlow, Anita Rutherford, Lois Collins, Cecelia Bosley, Linda Dooley, Iva Lou Wallen, Betty Slagle, Melba Stroup, Geneva Devin, Nelda Jo Gillham, Sammy Pond, Juanita Prichard, Elaine Fisher, Merle Bullard, Lorayne Carter, June Chain, Betty Ross Craig, Bobby Foster, Fay Gunter, Betty Hutchinson, Mary Mae Peppard, Patsy Sanford, Mary Ann Sloan and Gladys Thomas.

Tailored dresses by the Home-making II Class: Janey Forester, Donna Erwin, Mary Ruth Hill, Marion McReynolds, Peggy Jean Moore and Joanna Haines. Afternoon dresses by the Home-making III Class: Joyce Carter, Lorilla Devin, Jo Ann Bullard, Verna Davenport, Gladys Lowe, Ema Mae McCarter, Jean Hill and Frances Standley. Home Projects: Fay Kinney, Melva Martin, Marion McReynolds and Joanna Haines.

## Nine Seniors Started in CHS

Nine seniors that graduate this spring, May 27, 1948, started in the first grade school. Their teachers were Miss Jarrett and Mrs. T. W. Collins.

All these students completed the course of grade and high school. They are: Jean Hill, Tommy Hunter, James Bible, Clifford Burtz, Meade Michael, Max Bellah, Austell Burrus, Joan Morton, and Colleen Prichard.

## Seniors Experience Southern Excursion

Blistered backs, aching feet, fever blisters, bruises and headaches are the results of a most strenuous excursion into the southern part of Texas. And where did all this take place? On the SENIOR TRIP.

Sunday night a group of bedraggled seniors treading their weary way down the long aisle of the bus, set foot on the pavement of their homeland after an absence of five days.

Getting off to an early start last Wednesday the seniors drove twelve hours, stopping only in San Angelo for dinner and occasional rest periods along the way. The class arrived at the Breckenridge Lodges in San Antonio about six o'clock. The night was spent in pleasant revelry at the amusement park. Thursday morning Breckenridge Park and the Sunken Gardens were visited by the class. After lunch the Alamo and Buckhorn Saloon were toured. Immediately after which the class left for Corpus Christi. Except for a stop at the San Jose Mission, which is the oldest in Texas, the trip to Corpus Christi was uneventful. The Hotel Breakers, the only hotel on the beach at Corpus, was the lodging place in the above mentioned city. The hotel's private beach and pier

along with a near-by amusement park furnished pastime for the group. The following morning (Friday) a two decker fishing boat excursion concluded the stay in Corpus with a four hour trip on the Corpus Christi Bay.

New Braunfels, the next stop furnished amusement in the way of boating and dancing Friday night, while bicycling and swimming were the predominating forms of recreation Saturday morning in Landa Park.

Next we found familiar faces peering over the edge of the highest peak in the State Capital dome, while if one took a look on the inside he found wobbly legs, faces dripping with sweat (even Mr. Devin's) and worn-out students in general. Arriving at the Capital, the students went to the Capital dome (only 420 steps). After rambling through the capital for about an hour the group visited the University Campus. The Memorial Fountain and the Tower held first interest in this visitation. Following a dinner at the Hotel Driscoll, where the class members made their headquarters in Austin, various amusements were resorted to, including shows and bowling.

Sunday morning found the seniors on the long journey home, with Abilene as the lunch stop. This day was also Austell Burrus' eighteenth birthday and it was celebrated at Tullia's Roadside park with the cake that was bought in Austin by Mrs. E. A. Michael. Finally at seven-forty the bus drove into town with a big honk and a lot of yelling.

As one listened to their tale of woe, this is what he hears—Guy Brant got sunburned, Joyce Carter slept all the way home, Paige Caruth's legs were burned, Frances Standley received a tan, Marvin Pite had a headache. Everybody got shot with water guns and paper wads, and if he went to sleep, he work up covered with lipstick. Billie Money caught the first and largest shark. All the girls had shrimp and ice put down their backs while they were on the bay, Miss Bowman rode the roller coaster. Several of the girls were nearly thrown overboard into the bay. Jean Hill had a shark put down her back. The kiss meter in the Buckhorn Saloon told Martha Wilson that she had a dynamic kiss. Joyce Carter had her toe tied to Austell Burrus' finger, and on and on. . . .

## Home Ec. Gives Formal Dinner

Under the supervision of Mrs. Perry Bell, the Homemaking II Class recently sponsored a formal dinner as a project in the study of company dinners, honoring Superintendent E. A. Wooten, Principal James E. Miller and Mrs. A. K. Knott as their guests. The dinner was held in the Dining Room and began promptly at 12:15. The table was covered with a white lace tablecloth, accented with white china table appointments and white candles in crystal holders. A centerpiece of pastel shasta daisies was repeated in the placecards, which were stapled with pink wildflowers.

Besides the guest, Mrs. Bell, Mary Ruth Hill, Ava Coodley, Jo Parker, host and Janey Forester, hostess were present. Mr. Wooten gave the invocation.

Their menu was as follows: Apple Juice with Mint, Roast Beef, Potato Souffle, Au Gratin Potatoes, Lima Beans, Curled Carrots, Celery Sticks, Radish Roses, Cherry Tarts with Whipped Cream and Iced Tea.

Serving and working in the kitchen were: Juanda Edwards, Ramona Simon, Marion McReynolds, Antonia Hernandez, Marcellite Wilson and Fay Kinney.

## Senior Team Is Leading Juniors

Softball Intramurals are drawing to a close as the seniors are leading the juniors in the first of the seventh inning 29 to 11 in the final game. This game began Monday, May 18th. It is played during the noon hour and was postponed at the last of the fifth, Wednesday until Monday, the 17 because of the senior trip. The score stood 19 to 11 when play resumed Monday.

The line-up for the juniors is:

## OUR APPRECIATION

We are Seniors at last. It is a pleasure to graduate from Canyon High School.

As Seniors we appreciate fully our achievements in our high school days. Qualities that will add to the beauty of our lives as pink adds to the beauty of roses. We take pride in our school, but especially are we glad of what it has given to us. We seniors feel better equipped to face life's challenges when we say we graduated from Canyon High.

Our school has offered us many privileges and other conveniences. The Senior trip was appreciated by all and will be remembered for many days to come. In some schools, such a trip is unheard of. Yes, we are happy to graduate from a school of this quality. Our moral and spiritual lives have been lifted and we are better able to face impending dangers, represented by dark clouds which gather around us daily. This and other benefits have been granted by the school of our choice. The privilege one has by living in a Democracy, the United States of America.

The first public appearance of the band, May 18 at 9:00 a. m. was made in an effort to recruit new members from the fourth, fifth, sixth and the seventh grades. The band at the present time includes thirty people.

Following the concert, music aptitudes tests were given to pupils in the lower grades to find those best suited for the band.

A baritone has been purchased and received for future use by the band.

Thirty-three members of the band, their guests, and sponsors attended a welter roast at Gordon-Cummings last Tuesday. Hiking and playing baseball were the forms of recreation for entertainment.

A very pistol is one used to fire illuminating rockets.

## WTSC Ex-Students Honor Dr. J. A. Hill At Wellington

More than 80 Collingsworth County former students of West Texas State College gathered Monday evening, April 26, to honor Dr. J. A. Hill, who August 31 will retire as president of that institution, and Mrs. Hill. In the picture at upper left, Dr. Hill has just received the hand-lettered scroll, an Award of Merit in tribute to his service to the Panhandle, presented on behalf of the former students by Deskins Wells. Mrs. Hill is seated. At lower right, arriving exes and their families are greeted by members of the receiving line. From left to right are seen Alf Wynn, Al Duncan, Mrs. Wynn, Mr. and Mrs. E. L. Pritchett, Mr. and Mrs. Charley Hill, B. W. Beaird, Miss Sarah Jones, Mrs. Beaird, Mrs. Orville Cunningham and Mr. Cunningham. At right, Dr. Hill is seen as Mr. Cunningham adjust the gold wrist watch, also presented by the Collingsworth County ex-students. Watching are Mrs. Cunningham, Mr. Pritchett, Boyd Russell, immediately behind Mr. Cunningham, R. E. Bradley, with John Lee standing immediately behind, Miss Maudie Coffee, and Mrs. Elbert Rankin, with back to the camera.

America's pride in modern production is losing lustre. Since 1930 machine tools have worn out faster than they have been replaced.

My husband's least understood quality is his ability to get along with other people.—Mrs. Robert A. Taft.

CONTROLLED: QUALITY — PRICE — CONSTRUCTION

Here is an outstanding tire selected by Co-op for its exceptional value—it has extra stopping power because of its 6,340 saw tooth edges on the tread. It is one of America's most modern tires because of its broad, flat tread that puts more rubber to work to share the wear and adds miles of safe, dependable service. The Co-op Deluxe features greater strength through the strong construction resulting from cords insulated and bonded in liquid latex. It runs cooler, another great protection against blowouts.

# Pres. Hill Makes Last Official Speeches to Students, Faculty

## Students Hear Talk Thursday

President J. A. Hill, in assembly last Thursday morning, spoke to the students of West Texas State for the last time in his official capacity as president of the college.

A large crowd of students and faculty members attended the last talk by Dr. Hill.

Dr. Hill's speech, "The World We Live In," was mainly devoted to telling of the many troubles of the world and in the last part of his talk he drew on some of his own personal conclusions as to the solving of these problems.

It was a short, terse speech, which caught the attention of all the audience and held it until the end.

One of the main points of the talk was brought out when he said that, "the human world is eternally subject to the irresistible imperious law of change. Ignorance of this fact has held civilization at bay for most of the history of man."

"Some people would, if they could,

stop all change and put Humpty-Dumpty back on the wall."

While he added many thoughts of his own in the course of the talk, one of them was, "... We are ... confronted with one of the most precarious conditions in history. More than 2 billion people are all adither because of the apparent futility of every effort at peaceful living."

In his final paragraphs he outlined his own theories as to how the conditions of the world could be alleviated to a great degree.

"First," he said, "in the matter of human rights we must make our practice conform with our preaching." That is to say all our preaching about peace.

Second, disaster will happen here unless we can develop a foreign policy consistent with humanitarian principles and the equal right of all men to life, liberty and the pursuit of happiness.

"Third, disaster will happen here unless we in America can ourselves come to understand the real meaning and importance of the principles that lie at the base of our government and be willing as individuals to accept and apply its implications."

## Faculty Presents Desk Set, Rings

Last Tuesday afternoon in the Auditorium of the Science Building, Dr. J. A. Hill made his final official appearance before the faculty of the college as president of the college.

In his address to members of the faculty he foresaw great expansion and an ever-growing future for the school and expressed his complete faith in Dr. James P. Cornette, who will succeed him in September as president.

Last fall Dr. Hill outlined the history of the college in his first address to the faculty for the new term, and in this speech made his official 'goodbye' to them.

Dean D. A. Shirley then presented to Dr. and Mrs. Hill a solid mahogany writing desk and chair and ruby-set rings. These were the gifts of faculty members.

The rings, Dr. Shirley said, were symbols of the life Dr. and Mrs. Hill had given to West Texas State and the territory which it serves. The gift came as a complete surprise to the Hills.

This was the climax in a tribute to Dr. Hill in his 38 years of work with West Texas State, which now has more than 25,000 ex-students all over the country and even more friends in West Texas and the Panhandle.

In the top picture are Dr. and Mrs. J. A. Hill after receiving the desk set and ruby rings from the faculty members last Tuesday afternoon. To the right is Dr. Hill as he delivered his final official message to the students Thursday.

The President likes to take a nap for half an hour or 45 minutes after lunch. I think that's an important thing. For any man in his capacity, or for any business man, a nap after lunch is the best remedy a doctor can prescribe—Brig. Gen. Wallace H. Graham, White House physician.

### Hawaiian Student To Speak at Baptist Church

Sam Choy of Hawaii, ministerial student of Wayland College, will speak at the Baptist church in Canyon both hours Sunday, May 23, according to pastor Roy L. Johnson who left Monday to attend the annual meeting of the Southern Baptist Convention in Memphis, Tennessee.

The morning service scheduled at the Baptist church Sunday will be changed to accommodate those desiring to attend the commencement sermon at the college. Mr. Choy will therefore speak at 9:00 o'clock in a shortened preaching hour preceding Sunday School which will begin at the regular hour of 9:45.

Sam Choy is reported to be one of the youth leaders of his community near Honolulu, and is among a group of Wayland students from his territory, which he is glad to say is a part of the United States. He has spoken in various churches of the plains region, and with great profit to those who have heard him.

Night services will be at the regular hours, 7:00 for Training Union and 8:15 for preaching. Those who do not attend the high school sermon are invited to attend and hear this young preacher.

### Wayside News

Sister Cox of Amarillo filled her regular appointment Sunday morning with a stirring message. Garland Foster and Miss Charline Barrett accompanied her. The ladies were dinner guests in the home of Mrs. E. A. Franklin, and Gayland visited with Kenneth Fisher at their farm home.

The Lem Fisher family attended services at Wayside Sunday morning from Canyon.

Grandma Moore has gone to Lubbock where she will make her home with her son, Glen. She spent the winter here with her daughter, Mrs. Battie Coleman.

Mr. and Mrs. Bill Stockett were Amarillo callers Friday afternoon.

Mrs. W. R. Franklin spent most of last week in Amarillo taking white light treatments and was a guest in the Linder Hagain home.

Mr. and Mrs. Jack Edwards of Amarillo spent the week end in the Joyce Lane home.

Lt. and Mrs. Roy C. Petty and children of Murco, Calif., visited two days first of last week in the home of his sister, Mrs. Charles Kennedy and family.

Mrs. Oren Fisher and girls of Canyon spent last Wednesday in the Chas. Kennedy home.

Mr. and Mrs. W. I. Lane have recently visited their great granddaughter in Pampa.

### Court Action on Amendment to Poll Tax Exemption Law

There was much confusion this year among persons over 60 years of age regarding poll tax exemptions. The old law provided that those who had reached 60 years must get exemptions if they lived in a county having a town of 10,000 population. The last session of the legislature amended this law to require that these exemptions must be secured every year — why, no one knows.

As a result of the confusion, many persons over 60 years of age failed to secure their exemptions. In years past the exemptions were good for life.

In Randall county the case is a little different. There are no towns of 10,000 population, but Amarillo laps over into this county, and therefore those over 60 must have an exemption in order to vote in city and Amarillo school elections.

The law has been contested in Howard county. The new amendment lost in district court and in the Court of Civil Appeals. The case is on its way to the Supreme Court where action is urged before primary election date.

### Methodist Services At Earlier Hour on Next Sunday a. m.

Owing to the commencement sermon at the college next Sunday morning, Rev. Hubert Thomson announces that preaching services will be held at 9 o'clock at the Methodist Church. This will be his last sermon of the conference year. Annual conference convenes in Lubbock May 26.

Rev. Thomson preached the commencement sermon at Happy Sunday night.

Rev. Joseph Findley will preach Sunday morning, May 30, during the absence of Rev. Thomson.

Vacation Bible School will be conducted May 31 to June 11, with Mrs. B. E. Simons, director, and Leta Hill, assistant.

A porcelain enameled steel sheet to be used as a wall covering in kitchens and bathrooms will soon be marketed by a Baltimore firm. It can be cut with an ordinary paper cutter, applied with linoleum glue and finished with metal clip strips at the joints.

### Towns Along Hiway 60 Plan Campaign For Improvement

A delegation from Pampa met in Amarillo last week with Chamber of Commerce officials to plan improvements for Highway 60, which goes west from Canyon. The highway runs from Norfolk, Va. to Riverside, Calif.

Buffalo Lake is one of the major attractions on the highway. Rex Baxter, manager of the Amarillo Chamber of Commerce, stated that the road from Umbarger to Buffalo Lake had not been paved because the state could not get a contractor to move to such a small job. The state will not pave on the federal government land.

Other meetings will be held soon in Oklahoma and New Mexico to work for improvement on Highway 60.

### Chrisler Workers Leave Jobs With Big Pay Demands

75,000 Chrysler workers walked out this week after the company refused to grant the pay increase demands. Thousands of other workers are affected by the walk out.

It is predicted that CIO will tie up automobile production in all of the big companies of the nation.
